

SelectionType

```
graph LR; A[SelectionType] --> B[SelectionParameters::getSelectionType]
```

A diagram showing a relationship between two code elements. On the left, a white rectangular box with a black border contains the text 'SelectionType'. A dark blue arrow points from the right side of this box to the left side of a second box on the right. The second box is gray with a black border and contains the text 'SelectionParameters' on the top line and '::getSelectionType' on the bottom line.

SelectionParameters
::getSelectionType
